43460 Ridge Park Drive is the **1st building** on the **left** as you turn onto Ridge Park Drive from Rancho California Road.

There is parking in the front and sides of the building. There is also parking in the back, but the back door is locked.

My office is on the **2nd floor** to the right of the stairs. There is also an **elevator**.

The suite is **200**, which says **Vista Executive Suites** on the door.

There is a waiting area where you may wait. There is no receptionist for sign-in. **Please text (951) 968-5554 to let me know you are here.**

There are **keys to open the restrooms** at the desk as you walk in the waiting room. The restrooms are in the hall beyond the elevator. I also have restroom key if you prefer to use mine.
