

If Writing is Tough....

YOU:

Audio Record  **important info**

•  **Transcription**

- Free Voice Recorder  or Voice Record Pro  app on phone (\$0) OR

- **See instructions**

- A voice recorder (~\$60-\$70) 

- Video record with Camera app 

- **See instructions**

•  **Transcription**

- Speech-to-text+  app or Voice Record Pro 

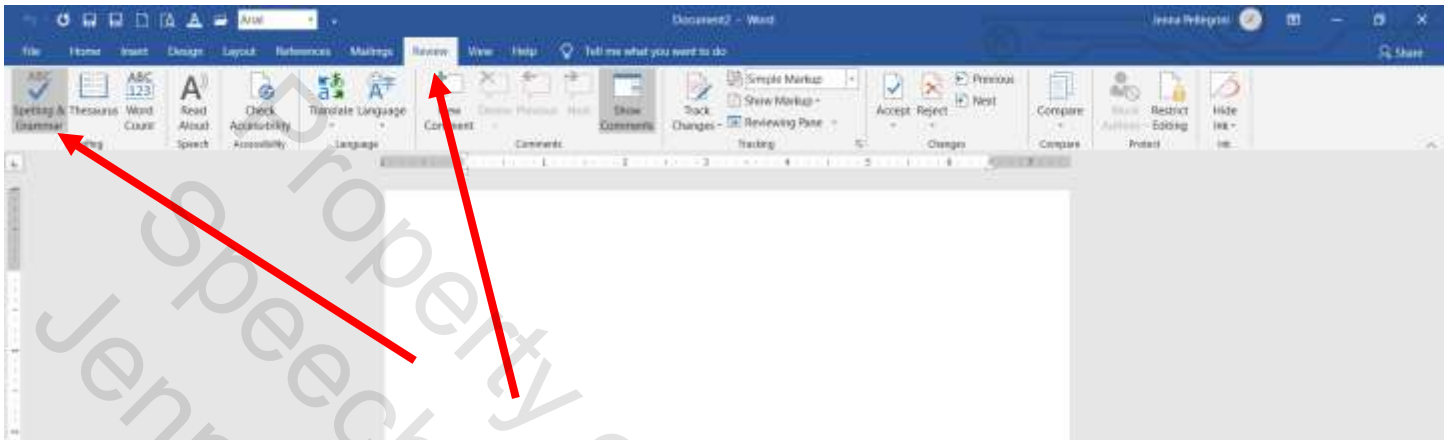

Use **Speech-to-text+** App  to speak the text, and then **copy**

it by hand. 

- **Full** text OR
- **Just a few words**

- Type text into Word  document, and use **Spell-Check**

- For frequent, fairly consistent text:

- Make **templates** for:

- **Emails**

- **Taking phone messages**

- Have **Alphabet & #s 0-9** posted nearby for a quick reference

- Send & receive **pictogram** messages with Tapgram

YOUR COMMUNICATION PARTNER:

□ When giving important info to remember:

○ YOU or you can have your partner....

▪ **Audio record**

the info

• Voice Recorder

or Voice Record Pro

• With transcription:

○ Voice Record Pro

or Speech-to-Text+

▪ Give written info rather than having them write it down.

□ Collaborate in making **templates** for common writing tasks:

• Checks

• Email

• Thank you card
